## Additional Information

This directory aims to hold up to date information for all lunch clubs and other eating opportunities in Dorset. It is updated regularly so if you have an old copy please contact POPP to see if there is a more current version. For those with internet access it is also available on: [Eating Opportunities in Dorset Directory](#)

Other guides are also available for meals on wheels and shopping services. See the website or contact POPP for more information

**Before you go...**When attending a lunch for the first time, call first to check there is space available, many lunches like you to book in advance so they know how many to cook for.

**Helping out...**The majority of lunch clubs will always welcome an extra pair of hands. If you are able to offer some time to help out please contact your nearest club.

**New Opportunities...**If you can not find an opportunity in your area and want to be involved with setting one up please contact POPP who will be happy to work with you to develop a new club

## Transport

- √ Some of the clubs are able to help with transport please see the individual lunch listings for details
- √ There may be other community transport schemes in your area who can help you to get around, to access this information please call the new community transport number: **01305 221053**, if you are on the internet you can access this information at: [Dorset Community Transport Directory](#)
